PSP/RTKL Request N° 2024-1598

Dear Mr. Dempsey:

On July 17, 2024, the Pennsylvania State Police (PSP) received your requests for information pursuant to Pennsylvania's Right-to-Know Law (RTKL), 65 P.S. §§ 67.101 – 67.3104, wherein you stated:

> Pursuant to the Pennsylvania Right to Know Act, I hereby request the following records:
>
> 1. A roster of all employees of the department assigned to work in preparation for, during and after the rally, held on July 13, 2024, for former President Donald J. Trump at the Butler Farm Show. This roster should include but is not limited to first name, last name, position, and badge number.
> 2. All emails, text messages, call logs, and/or other communications among members of the department and between the department and other local, state and federal agencies regarding the rally. Please provide communications that occurred any time between January 1, 2024 and the date of this request.
> 3. All invoices, memoranda of understanding or other such agreements showing and/or describing the services the department provided for the rally.
> 4. All overtime requests submitted to the department for hours worked on July 13, 2024 and July 14, 2024.
> 5. Documents showing active shooter protocols for the department, including documents outlining any training department employees have taken in the past five years.

A copy of your request is enclosed. By letter dated July 24, 2024, you were notified in accordance with RTKL section 67.902(b), that PSP required an additional thirty days to prepare this final response to your request.

Your request is granted in part and denied in part. Your request for item 1 is granted insofar as the responsive one-page record containing "all employees of the department assigned to work in preparation for, during and after the rally, held on July 13, 2024" (marked for identification as PSP/RTK000001). Your request for item 2 is granted insofar as the responsive fifteen-page record containing "emails" "among members of the department and between the department and other local, state and federal agencies regarding the rally" (marked for identification as PSP/RTK000002-PSP/RTK000016). Your request for item 4 is granted insofar as the responsive four-page record containing "overtime requests submitted to the department for hours worked on July 13, 2024 and July 14, 2024" (marked for identification as PSP/RTK000017-PSP/RTK000020). These documents are enclosed with this letter.

However, your request is denied to the extent that these public records contain personal identification information. Such information is exempt under RTKL section 708(b)(6)(i) and therefore exempt from public disclosure. Accordingly, PSP has redacted (obliterated) this non-public information from the requested records. A supporting verification to this effect accompanies this letter.

Your request for "call logs" is denied because the information you seek is not available to the public. The Right-To-Know (RTKL) only requires Commonwealth agencies to provide documents that are public records. 65 P. S. § 67.301(2010). It is well settled that the Pennsylvania State Police (PSP) is a Commonwealth agency within the meaning of the RTKL. *See id.* § 67.101; *Dekok v. PSP*, OOR Dkt. AP 2011-0086 at 4. A document is not a public record if: (1) it is specifically exempted from disclosure in section 67.708 of the RTKL; (2) it is not otherwise exempt under other federal or state law; or (3) it is protected by a privilege. 65, § 67.102 (defining "Public Record").

Under the first limitation on the public record definition, PSP CAD Call Hardcopy report pertaining to PSP Incident No. CP 2024-924893 and its component records, details a PSP investigation into a complaint of criminal activity. Thus, the report and each of its components is "[a] record of an agency relating to or resulting in a criminal investigation," which is exempt from public disclosure under RTKL section 67.708(b)(16). Furthermore:

- The report contains "[c]omplaints of potential criminal conduct other than a private criminal complaint[,]" and, thus, is exempt from public disclosure under RTKL section 67.708(b)(16)(i).

- Because they reflect the findings and conclusions, as well as the actions, observations and notes of investigating troopers, the report's components constitute "[i]nvestigative materials, notes,

correspondence, . . . and reports," all of which are exempt from public disclosure under RTKL section 67.708(b)(16)(ii).

- In its entirety, as well as in its components, the report is "[a] record that, if disclosed, would . . . [r]eveal the institution, progress, or result of a criminal investigation," and, therefore, exempt from public disclosure under RTKL section 67.708(b)(16)(vi)(A).

- The report contains personal identifying information, all of which are exempt from public disclosure under RTKL section 67.708(b)(6)(i)(A).

- Yet, none of the report's components comprises original records of entry, a chronology of arrests, the identification of arrested individuals, the specification of criminal charges or any other "information contained in a police blotter as defined in 18 Pa. C.S. § 9102" that would be accessible to the public.

Pa. State Police v. Office of Open Records, 5 A.3d 473, 478 n.4 (Pa. Commw. Ct. 2010) (en banc). A supporting verification accompanies this letter.

Following the second limitation, disclosing the report or its components to you would violate Pennsylvania's *Criminal History Record Information Act* (CHRIA), 18 Pa. C.S. §§ 9101-9183, which prohibits criminal justice agencies from disseminating investigative information, except to other criminal justice agencies. 18 Pa.C.S § 9106(c)(4). CHRIA defines "investigative information" as "[i]nformation assembled as a result of the performance of any inquiry, formal or informal, into a criminal incident or an allegation of criminal wrongdoing." *Id.* § 9102. Therefore, PSP is barred by CHRIA from providing you with access to the records you have requested. *See McGarvey v. Pa. State Police*, Dkt. AP 2009-0522 (Glinn) (CHRIA section 9106 protects criminal investigation report, in its entirety, from public disclosure).

Additionally, please be advised this is an ***open, ongoing*** criminal investigation and supplemental records will be added as the investigation continues and upon completion.

Your request for item 5 is denied pursuant to RTKL section 67.708 (b)(11) as a record that constitutes or reveals a trade secret or confidential propriety information, and RTKL section 506(c)(1)(i) disclosure of the record is not prohibited under Federal or State Law or regulation. The cover sheet for the operations manual, OM 7-18, *High-Risk Incidents and Special Response Teams*, has been determined to be law enforcement sensitive by the Commissioner of the PSP and indicates a statement in ***bold, red print***:

CONFIDENTIAL INFORMATION
FOR LAW ENFORCEMENT USE ONLY
DO NOT DISCLOSE

Additionally, your request is respectfully denied because dissemination of this policy is expressly prohibited by 75 Pa. C.S. §6342(e).

Lastly, in response to your request for item 3, the PSP has determined it does not have any records such as you described in its possession, under its custody or control. A verification to this effect accompanies this letter. Pursuant to the decision in *Jenkins vs. Pennsylvania Department of State*, OOR Dkt Nº AP 2009-0065,: "It is not a denial of access when an agency does not possess records and [there is no] legal obligation to obtain them (see, e.g. Section 67.506 (d)(1))." Please note, the PSP Bureau of Staff Services – Fiscal Division, conducted a comprehensive search for responsive records with negative results

To the extent that your request seeks or may be construed to seek records involving covert law enforcement investigations, including intelligence gathering and analysis, PSP can neither confirm, nor deny the existence of such records without risk of compromising investigations and imperiling individuals. UNDER NO CIRCUMSTANCES, therefore, should this response to your request be interpreted as indicating otherwise. In all events, should such records exist, they are entirely exempt from public disclosure under RTKL and CHRIA.

You have a right to appeal this response in writing to the Office of Open Records, 333 Market Street, 16th Floor, Harrisburg, PA 17101-2234. The pertinent OOR appeal form is available for your use at, https://www.openrecords.pa.gov/Appeals/AppealForm.cfm. If you choose to appeal, within 15 business days of the mailing date of this response, you must send to OOR:

1) this response;
2) your request; and
3) the reason(s) why you think the agency wrongfully denied your request. (*a statement addressing any grounds provided by the agency for denying you access to the records you seek*). If the agency gave several reasons why your access is denied, state which reasons you think are wrong.

Respectfully,

PENNSYLVANIA STATE POLICE
DEPARTMENT HEADQUARTERS

VERIFICATION OF
MORGAN REIDLINGER
DEPUTY AGENCY OPEN RECORDS OFFICER

I, Morgan Reidlinger, Deputy Agency Open Records Officer of the Pennsylvania State Police (variously, PSP or Department), am authorized to prepare this verification in response to PSP/RTKL Request Nº 2024-1598. Accordingly, on this 23rd day of August, 2024, I verify the following facts to be true and correct, to the best of my knowledge or information and belief:

1. I am familiar with PSP/RTKL Request Nº 2024-1598, which is attached to this verification.

2. Utilizing the information contained in the request; I have searched all relative PSP Databases where responsive information may be stored.

3. As a result of my searches, I have identified and retrieved the following responsive PSP records:

    - In response to the request for item 1, the responsive one-page record containing "all employees of the department assigned to work in preparation for, during and after the rally, held on July 13, 2024" (marked for identification as PSP/RTK000001).

    - In response to the request for item 2, the responsive fifteen-page record containing "emails" "among members of the department and between the department and other local, state and federal agencies regarding the rally" (marked for identification as PSP/RTK000002-PSP/RTK000016).

    - In response to the request for item 4, the responsive four-page record containing "overtime requests submitted to the department for hours worked on July 13, 2024 and July 14, 2024" (marked for identification as PSP/RTK000017-PSP/RTK000020).

4. However, the request is denied to the extent that these public records contain personal identification information. Such information is exempt under RTKL section 708(b)(6)(i) and therefore exempt from public disclosure. Accordingly, PSP has redacted (obliterated) this non-public information from the requested records.

5. However, the request for "call logs" is denied because it seeks non-public records. The Right-To-Know Law (RTKL) only requires Commonwealth agencies to provide documents that are public records. 65 P.S. § 67.301. A document is not a public record if:

   (1) it is specifically exempted from disclosure in section 67.708 of the RTKL;
   (2) it is not otherwise exempt under other federal or state law; or
   (3) it is protected by a privilege. 65 P.S. § 67.102 (defining "Public Record").

6. I personally examined the report and found it to be manifestly related to a criminal investigation. PSP CAD Call Hardcopy report pertaining to PSP Incident No. CP 2024-924893 and its component records, is a multiple page record assembled by Troopers on or after July 13, 2024, as a result of an investigation into a criminal incident or an allegation of criminal wrongdoing. Furthermore:

   a. The report contains "[i]nformation assembled as a result of the performance of any inquiry, formal or informal, into a criminal incident or an allegation of criminal wrongdoing," 18 Pa. C.S. § 9102, and, thus, is exempt from public disclosure under RTKL section 67.708(b)(16)(i).

   b. The report's component records reflect the findings and conclusions, as well as the actions, observations and notes of investigating troopers, thus constituting "investigative materials, notes, correspondence, . . . and reports," all of which are exempt from public disclosure under RTKL section 67.708(b)(16)(ii).

c. Based on its content, the report is clearly "a record that, if disclosed, would reveal the institution, progress, and result of a criminal investigation," and, therefore, exempt from public disclosure under RTKL section 67.708(b)(16)(vi)(A).

d. The report contains personal identifying information, all of which are exempt from public disclosure under RTKL section 67.708(b)(6)(i)(A).

e. The report "[i]ncludes . . . victim information," (*e.g.,* the victim's full name, birth date, residential address and telephone number) and, thus, is exempt from public disclosure under RTKL section 67.708(b)(16)(v).

f. Yet, none of the report's components comprises original records of entry, a chronology of arrests, the identification of arrested individuals, the specification of criminal charges or any other "information contained in a police blotter as defined in 18 Pa. C.S. § 9102."

7. Furthermore, disclosing the report or its components to the requestor would violate Pennsylvania's Criminal History Record Information Act (CHRIA), Pa. C.S. §§ 9101-9183, which prohibits criminal justice agencies from disseminating investigative information, except to other criminal justice agencies.

8. Additionally, the requestor was advised this is an ***open, ongoing*** criminal investigation and supplemental records will be added as the investigation continues and upon completion.

9. The request for item 5 is denied as pursuant to RTKL section 67.708 (b)(11) as a record that constitutes or reveals a trade secret or confidential propriety information, and RTKL section 506(c)(1)(i) disclosure of the record is not prohibited under Federal or State Law or regulation. The cover sheet for the operations manual, OM 7-18, *High-Risk Incidents and Special Response Teams,* indicates a statement in ***bold, red print***:

CONFIDENTIAL INFORMATION
FOR LAW ENFORCEMENT USE ONLY
DO NOT DISCLOSE

10. Additionally, the request is respectfully denied because dissemination of this policy is expressly prohibited by 75 Pa. C.S. §6342(e).

11. Therefore, I have determined these records are not "public records", and not subject to access by a requestor under the RTKL.

12. Accordingly, I have withheld the records from public disclosure.

13. Lastly, in response to the request for item 3, the PSP has determined it does not have any records such as described in its possession, under its custody or control.

14. The requestor was advised the PSP Bureau of Staff Services – Fiscal Division, conducted a comprehensive search for responsive records with negative results

I understand that false statements made in this verification are subject to penalties of 18 Pa. C. S. §4904, relating to unsworn falsification to authorities.

I am the only Trooper listed in the TO: list. Does this mean that the other two Troopers didn't make the list?

All,

I am just touching base regarding the Photo Op with FPOTUS Trump in Butler tomorrow. Please ensure you are in the VIP Tent or in that area (behind the stage) no later than 3:50pm. We are scheduled to arrive with the motorcade at 4:15p, but if we are running early, they will go right into the photos when we arrive.

If you are running late or cannot make the picture, please let me know tomorrow (cell [redacted]

If you are traveling in the MC, you will just get in the line after we park the vehicles.

*Also, staff has requested that we pass on to you NOT to attempt to give FPOTUS Trump any mementos or coins, and NOT to request for him to sign anything at this time. There have been incidents at rallies recently elsewhere, and we do not want to lose this opportunity in the future.

If you have names submitted for the VIP List, please pass the following info for them for reporting instructions:

- Magnetometers Open at 1PM
- People will be there earlier
- If you submitted names, they are on the VIP List
- There will be a VIP Magnetometer where an Officer/Agent will have a list with your names on it
- You will park in the general parking area where everyone else parks and walk to the screening area (over ½ mile)
- There is some seating and bleachers, but it is first come first serve and there are 1000 names on the Staff's VIP List now
- You can bring clear water bottles
- The Venue will have concessions

Thanks again for all of your help,

Tim

Sir -

No problem.

Yes there is a 1000 and a 1400.

The 1000 is a one-time meeting. We are meeting with representatives of the major departments in the city to brief them on the case. It's a meeting of our Executive Committee of the Joint Terrorism Task Force, of which you are a part.

If you can't attend the 1000, you can certainly send an alternate. We have a few slides in the presentation that provide results of the joint FBI/PSP work.

Thanks!

Rick,

Sorry to bother you so late. Is there a 1000 hours and a 1400 hours meeting tomorrow? I may have misinterpreted because I thought it was combined to a 1400 hours meeting only. I just noticed Commander Schmitt's email said 1000 am.

Thanks again,

Bill

Subject: JTTF Update on Attempted Assassination of Former President Donald Trump

UNCLASSIFIED//LAW ENFORCEMENT SENSITIVE

NOT FOR FURTHER DISSEMINATION

JTTF -

We wanted to provide outreach related to our investigation into the assassination attempt on former President Donald Trump. At this time, the federal investigation is being led by FBI-Pittsburgh's Joint Terrorism Task Force in direct coordination with the United States Attorneys Office for the Western District of Pennsylvania. The FBI is engaged directly with the Pennsylvania State Police who are working an investigation into possible state crimes committed by the shooter. The FBI continues to investigate whether the attacker, Thomas Matthew Crooks, was motivated by a violent extremist ideology or had any association with additional plotters or co-conspirators.

The JTTF is actively engaged with federal partners from the Secret Service, ATF, HSI, US Marhals Service, IRS, DEA, and HSI, who as always are contributing meaningfully to the overall investigation. The JTTF has also enjoyed tremendous support from the Pennsylvania State Police, the Allegheny County Police Department, the Bethel Park Police Department, Butler and Beaver County law enforcement, and the Butler DA.

FBI-Pittsburgh JTTF continues to process the large crime scene in Butler County which has included the campaign rally area and the shooter's parked vehicle which was believed to contain a potential explosive device. Search efforts have concluded at the shooter's residence in Bethel Park with an additional explosive device and precursor evidence located there. Interviews at neighboring residences and businesses are underway at both the rally location and residence.

This remains a very active investigation with focus being on the triage of the subject's digital footprint and seized media, as well as interviews of witnesses and responding law enforcement.

We continue to enjoy our greatest support at this time from our full-time embedded JTTF TFOs from the Pittsburgh Bureau of Police, Allegheny County Police Department, Allegheny County Adult Probation, the University of Pittsburgh Police Department, and the Pennsylvania State Police.

Our team continues to work very hard to understand the motives and actions of the shooter. We remain grateful for the contributions those who are part of the JTTF have made already.

Supervisory Special Agent POCs are Justin Van Tromp and Bret Luhmann.

END.
